## **Wound Healing Foundation 3M Fellowship Award**

### **Application and Instructions**

Deadline for Submission – November 26, 2019

Wound Healing  
Foundation

The Wound Healing Foundation (WHF), through the support of 3M Health Care, is pleased to announce the call for applications for the 21<sup>st</sup> annual Wound Healing Foundation 3M Fellowship award.

#### **PURPOSE and TIMING**

The purpose of this one-year, \$15,000 Fellowship, is to stimulate scientific research and career development of young investigators or junior faculty who are pursuing a career in wound healing research. In order to be considered for the Fellowship award all applications must be received by WHF no later than **11:59 p.m. on November 26, 2019**. Following a review by wound healing experts and then by the WHF Awards Committee, the successful applicant will be notified on or about **January 22, 2020**. The Fellowship award will be bestowed at the Wound Healing Society (WHS) Annual Meeting scheduled to occur Friday **May 15, 2020** from 3:30-4:30PM at the convention center in San Diego, California. The Fellowship shall begin when the award is paid to the U.S. University or Medical School accepting responsibility for the research environment (Sponsor), targeted for **July 1, 2020**.

#### **RESTRICTIONS, LIMITATIONS, AND APPLICANT / FELLOW RESPONSIBILITIES**

The award is restricted because it is intended and designated solely for salary support or direct research costs. No part of the award may be used for indirect costs or the support of routine clinical duties. Further, the funds are to be exhausted by **June 30, 2021**, unless an exception to extend the term is granted by WHF in its sole discretion; if granted, the term of the extension will be based on the underlying facts and circumstances.

Awards are limited to Sponsor research laboratories that have not been funded by a 3M Fellowship Award in the last two (2) consecutive years. Laboratories with a Fellow recipient may be eligible to apply after one (1) year has elapsed.

Applicants must satisfy the requirements set forth in **The Criteria**, complete the **Application form**, and provide all required **supporting documentation** as instructed and within the time limits stipulated.

The Fellow is expected to both present the results at the WHS Annual Meeting occurring closest in time to the conclusion of the research and submit the completed research for publication in *Wound Repair and Regeneration*, *The International Journal of Tissue Repair and Regeneration*®. In addition, when publicly referencing the research, the Fellow is required to acknowledge the Wound Healing Foundation 3M Fellowship support by using of content to be provided by WHF.

WHF reserves the right to rescind the award at any time if the Fellow fails to comply with the terms and conditions set forth herein and as provided in the submitted research application and supporting documentation.

## CRITERIA

1. Each applicant must be a U.S. citizen or have a green card as a permanent resident;
2. The applicant has a Ph.D., M.D. or equivalent degree and received it within the last 10 years;
3. The applicant and/or the Sponsor must be a member of WHS;
4. The applicant has not previously been the principle investigator on R01 or similar level research awards/projects; and,
5. The applicant must meet one of the two below list requirements:
  - a. **if the applicant holds a regular, full time faculty appointment at a U.S. University or Medical School**, s/he must be non-tenured at the Instructor or Assistant Professor level and, at the time of the award, be within five (5) years of the initial faculty appointment. Also, the department chairperson must submit a letter\*\* on letterhead describing the available research laboratory facilities and additional sources of salary support and research support, if any, protected time, significance of the research, and the applicant's qualifications. The letter must also state that Fellowship funds will be used for salary and direct costs only. Absence of this letter will exclude application from consideration.
  - b. **If the applicant does not hold a regular, full time faculty appointment as provided above (e.g., is a postdoc and/or medical resident or fellow)**, a senior faculty member of the U.S. University or Medical School laboratory must agree to serve as the Sponsor. Further, the Sponsor must submit a letter\*\* on letterhead describing the available research laboratory facilities and additional sources of salary support and research support, if any, protected time, significance of the research, and the applicant's qualifications. The letter must also state that Fellowship funds will be used for salary and direct costs only. Absence of this letter will exclude application from consideration.

\*\* Letters of support can be included with the application materials or sent separately by e-mail to [awards@woundhealingfoundation.org](mailto:awards@woundhealingfoundation.org).
